With great regret, I want to inform you that I am resigning from my position as a Board member on the Community Relations Committee. I would request you to kindly accept this as my official notice of resignation.

Also, I would like to thank you all from the bottom of my heart for giving me the opportunity to serve in my community and opportunities to learn new things. The last 1.5 years, I was able to build new connections and offer insight that could help our city thrive. However, I am bound to leave because my schedule and prior commitments will not allow me to continue to serve.

If I can help you with something during the transition period, please feel free to get in touch with me.

Thanking you,

Brittney Hayes
