**Subject:** Supporting Bing Goei for 3rd Ward

Good Morning Honorable Mayor and City Commissioners,

I would like to take a second and voice my support for Bing Goei to fill the open seat as the Third Ward Commissioner. Bing has been a client of mine for five years, and there is no one for whom I have more respect. He is well organized, intelligent, and forward thinking, but most of all he is a pleasure to be around. His compassion for others is what I believe separates Bing from any other potential candidates. Without question, I spend more time working with Bing on his quest to help others, than helping him with his own business.

I would be more than happy to discuss my experiences with Bing if that would be helpful to any of you. Please feel free to reach out if I can be of any help.
