Good morning

I apologize for the late notice, but I am not going to be able to attend the meeting this morning. I am officially retiring at the end of next week, causing this last week and a half to be a bit crazy.

With that said, I am working with the GRCC team to appoint a replacement to serve on the Smart Zone board as our official representative. I have truly enjoyed my time with this Board, It has been an amazing learning opportunity for me and I am appreciative to have had the chance to serve.

Please share my thanks with the rest of the Board, and my apologies for not being able to be there today.

Thank you

Lisa
