Subject: NO TO CITY COMPTROLLER CUTS

Hello,

I am a resident, homeowner and business owner in Grand Rapids, and I was very disappointed to hear about the proposed cuts to the city comptroller office. This seems to be a violation of the city charter.

In no way do I support this, I feel there has been no transparency in this change, this should most definitely be a ballot item that residents vote on. There should be more transparency about city finances and the fact that I am just hearing about this now and also that it's already being voted on tomorrow.

I am requesting that this matter be either denied or tabled to be placed on the ballot to be voted on.
