Subject: Supporting Bing Goei for Third Ward

Salutations,
Honorable Mayor Bliss and City Commissioners,

It's me Benjamin Robinson with Robinson's Popcorn and I live in the third ward. I am born and raised here.

I'm writing to support my friend Bing Goei to have the opportunity to serve the 49507. We know I'm not a political person but I love my community and love to work with people. I've seen these things in Bing in my 4 years of knowing him. I'm a witness of his involvement with making a platform for the small business community and can only imagine what his leadership would encourage in our community.

I continually pray for you all as you make the hard decisions to advance our city and appreciate your efforts.

Thank you,
Ben Robinson (The Kernel)
