**CITY OF GRAND RAPIDS**  
**AGENDA ACTION REQUEST**

**DATE:** August 13, 2024

**TO:** Mark Washington, City Manager

**COMMITTEE:** Fiscal Committee

**LIAISON:** Molly Clarin, Chief Financial Officer

**FROM:** Doug Start, Director of Information Technology  
Information Technology

**SUBJECT:** **Resolution accepting a \$147,936 grant award from the State and Local Cybersecurity Grant Program (SLCGP)**

Attached is a resolution accepting a grant award in the amount of \$147,936 for the reimbursement of costs associated with implementing an Endpoint Detection and Response Program to enhance our cyber defenses.

The State and Local Cybersecurity Grant Program is a federal grant awarded by the Federal Emergency Management Agency – GPD and passed through the Michigan State Police Emergency Management and Homeland Security Division. This grant is to implement the endpoint detection and response system delivered and monitored by the Center for Internet Security (CIS). This system will give better protection on our computing endpoints and help secure our network.

The City will have until November 30, 2026, to expend these funds. Once funds are expended the ongoing O&M will come from the Information Technology Fund.

Your FISCAL COMMITTEE recommends the adoption of the following resolution accepting a \$147,936 grant award from the State and Local Cybersecurity Grant Program (SLCGP).

RESOLVED:

1. That the City Commission authorizes acceptance of a grant award for the implementation of an Endpoint Detection and Response System in an amount total of \$147,936; and
2. That the City Manager, or his designee, is authorized to execute the grant agreement and other related documents; and
3. That the Mayor is authorized to execute professional services agreements, memoranda of understanding, and other related documents, and modifications or amendments, including extensions of time, necessary to implement said plan in a form approved by the City Attorney.
