

Good evening,

I am sending this correspondence to let you know that I am resigning my position on the Community Relations Commission. Unfortunately, my work schedule has not allowed me to attend recent Commission meetings. Looking ahead, I am afraid that I will not have the capacity to engage moving forward and would like to resign to allow someone with more time and capacity to serve on the CRC.

I have enjoyed my time on the Community Relations Commission and am supportive of the work that the Commission does. Thank you for the opportunity to be a part of positive change for the City of Grand Rapids.

Respectfully,

Jannan Cotto
