Grand Rapids City Commission
300 Monroe NW
Grand Rapids, MI 49503

Dear City Commission,

Please accept this letter as notice of my resignation from my position on the Public Safety Committee. After looking at my calendar, I realized I was going to miss four meetings in a row due to travel plans. When I am involved in something I want to give it my all and it looks like this spring I'm not able to do that.

I would like to suggest that you give the Public Safety Committee a bit more to do. I can't really understand what our purpose is as all we do is listen to presentations (which are very interesting) and make comments or ask questions. It doesn't appear we have any authority or clout. At one point the Public Safety Committee was going to oversee the safe task force and I know committee members were very excited about that because we finally had something to work on. But that never materialized. Just a few thoughts.

Thank you for the opportunity to serve and I wish the best to the board.

Sincerely,

A handwritten signature in cursive script that reads "Chris Cameron".
