CITY OF GRAND RAPIDS AGENDA ACTION REQUEST

DATE: April 15, 2025

TO: Mark Washington, City Manager

COMMITTEE: Community Development Committee

LIAISON: Mary Kate Berens, Deputy City Manager

FROM: Tim Burkman, City Engineer
Engineering

SUBJECT: **Resolution approving an agreement with MDOT for the Rotomill/Resurfacing of Michigan Street from Maryland Avenue to Leffingwell Avenue and authorizing \$1,691,630 for the local share of project costs**

This project consists of Rotomill/Resurfacing of Michigan Street from Maryland Avenue to Leffingwell Avenue including rotomilling the existing road, new asphalt pavement, filling in north ditch and adding storm system, adding sidewalk on the north side, removing pavement full depth or expanding pavement full depth to achieve a uniform cross section, replacing existing curb and gutter, replacing driveways, adjusting castings, new pavement markings, tree plantings, ADA ramp upgrades, and replacing signs. The project is part of the local region's Surface Transportation Program - Urban (STPU), administered by Grand Valley Metropolitan Council (GVMC) as part of the FY 2023-2026 Transportation Improvement Program. Work planned furthers the goals of the Vital Streets Plan and Green Grand Rapids Initiatives. Construction is planned to occur in 2025.

It is anticipated that the Michigan Department of Transportation (MDOT) will receive bids for this project on April 4, 2025. The engineer's estimate by Prein & Newhof (P&N) is \$1,633,495. Estimated total expenditures required for this project are \$2,267,795, which includes construction contract, previously authorized design phase services by P&N, construction phase services including inspection by P&N, public information program, traffic signals and signs force account work, street lighting force account work, administration, and contingencies.

The attached resolution provides for the approval of an agreement with MDOT and the authorization of total expenditures in an amount not to exceed \$1,691,630 for the local share of costs for this project. The agreement with MDOT sets forth the financial responsibilities of the parties and the conditions under which the work will be performed. The local share of costs for this project is being financed by the Vital Streets Fund.

#23020

Your COMMUNITY DEVELOPMENT COMMITTEE recommends adoption of the following resolution approving an agreement with the Michigan Department of Transportation and authorizing expenditures in connection with Rotomill/Resurfacing of Michigan Street from Maryland Avenue to Leffingwell Avenue.

WHEREAS:

1. It is necessary to enter into an agreement with the Michigan Department of Transportation and to authorize expenditures in connection with the following project:

Rotomill/Resurfacing of Michigan Street from Maryland Avenue to Leffingwell Avenue
(MDOT Contract No. 25-5123)
(hereinafter referred to as the "Project") therefore

RESOLVED:

1. That the City enter into an agreement with the Michigan Department of Transportation for the Project and that, upon approval as to form by the City Attorney, the Mayor and City Clerk are hereby authorized to execute the same on behalf of the City.
2. That expenditures for the local share of costs for the Project be authorized in an amount not to exceed \$1,691,630, which includes construction contract, previously authorized design phase services by P&N, construction phase services including inspection by P&N, Public Information Program, Traffic Signals and Signs Force Account Work, Street Lighting Force Account Work, Administration, and contingencies. Said amount of \$1,691,630 to be charged to the applicable Vital Streets Fund codes.
3. That the City Comptroller is hereby authorized and directed to make payment, in amounts and to said payees, as the City Engineer or his designee requests in connection with the Project.
