SUBJECT: **Resolution approving extensions to contracts for As-Needed Roof Asset Management at Various Locations with no change in previously authorized expenditures of \$1,000,000**

On August 8, 2023 (Proceeding No. 92839), the City awarded contracts on an as-needed basis to Great Lakes Systems, Inc. (Great Lakes), Modern Roofing, Inc. (Modern), and Proteus Innovative Technologies, LLC dba Naturashield (Naturashield) and authorized expenditures in the amount of \$1,000,000. These contracts cover work associated with as-needed roof preventative maintenance and repair services for various City owned Facilities. This contract is available for the Water Department, Facilities Management, Fire Department, Public Museum, Environmental Services, Mobile GR/Parking Services, Parks and Recreation, and Cemeteries for the facilities they manage.

The contract documents reserved the right to extend each contract at the City's option, contingent upon successful negotiations with the contractors. At this time, the City desires to extend the contracts to June 30, 2025. The contractors have again agreed to maintain their current unit prices through June 30, 2025.

The attached resolution provides for the extension of the contracts with Great Lakes, Modern and Naturashield for an additional one-year period to June 30, 2025.

This project is being financed by various project budgets for which these services are required. The scope of services under these contracts will be on an as-needed basis.
