**Subject:** Supporting Bing Goei for 3rd Ward

Honorable Mayor and City Commissioners:

I am sending this email in support of Bing Goei. I feel he is the most qualified candidate in that he possesses the personal qualities needed to be appointed to the City Commission's vacant 3<sup>rd</sup> ward seat. Some of those qualities would include high intelligence, open minded, high degree of integrity, long term public service commitment to our city, sensitive to the needs of marginalized people, humble and a great sense of humor. It's been my pleasure to know him personally for the past several years as a fellow resident at Beacon Hill's independent living retirement community.

Sincerely,

Judson M Ross
