SUBJECT: Resolution approving a Cost Sharing Agreement with City of Kentwood for Rotomill and Resurfacing of East Paris Avenue from 28th Street to Burton Street in an amount not-to-exceed \$225,002.11

The attached resolution provides for the approval of a Cost Sharing Agreement with the City of Kentwood (Kentwood) for the rotomilling and resurfacing of East Paris Avenue from 28th Street to Burton Street. The corporate boundary between the City of Grand Rapids (City) and Kentwood runs along the centerline of East Paris Avenue for the approximate one mile length of the project between 28th Street and Burton Street. The joint project allows for an efficient use of resources for the communities; and the Cost Sharing Agreement will equally divide the participating costs not covered by Federal funding.

The Cost Sharing Agreement provides for Kentwood to initially pay the cost of the project and for the City to reimburse Kentwood for the City's share of costs upon receipt of invoice(s) from Kentwood. This project is on the Transportation Improvement Program (TIP) list for FY2024 and was bid by MDOT. The engineer's estimate, prepared by Kentwood, is \$709,964.50 and Michigan Paving and Materials Company, Inc. submitted a bid of \$618,255.00. The total project costs include Design Engineering, Construction, Construction Engineering/inspection, Administration, and Contingencies totaling \$884,410. Construction is anticipated to be completed this fall.

The attached resolution provides for the approval of the estimated City's costs for this project in the amount not to exceed \$225,002.11 to be paid from the Vital Streets Fund for the City's portion of East Paris Avenue from 28th Street to Burton Street.
